

TYP03

From Vulnerability to Stability: Inside TP03's Security Process

**We're experimenting with
Software Bill of Materials (SBOM)**

We're planning to build
an integrated **security center**
for the TYP03 backend (stay tuned!)

(No sneak preview, yet. Sorry! 🤨)

 We're **experimenting** with
Software Bill of Materials (**SBOM**)

 We're planning to build
an integrated **security center**
for the TYPO3 backend (stay tuned!)

(No sneak preview, yet. Sorry! 😬)

WHAT WE DO TO HARDEN THE „FUTURE TYPO3“ – **MOTIVATING OTHERS**
