

TYP03

From Vulnerability to Stability: Inside TP03's Security Process

 SOME INSIGHTS INTO - TOP 3 AS CNA

Since 2019, TYP03 requests and publishes a

CV for every single public vulnerability

Common Vulnerabilities and Exposures:

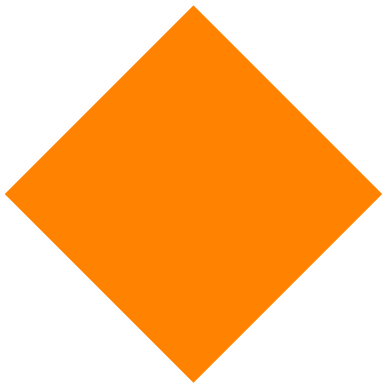

Standardized way to publish vulnerabilities

Only authorized CNAs can publish CVEs

MITRE (USA) manages the CVE system

- 🛡️ Since 2019, TYP03 requests and publishes a CVE for every single public vulnerability
- 🧩 ***Common Vulnerabilities and Exposures:***
